A Surprise for Mitch Frances Reynolds (Children's book author and illustrator),2017 **The Curse of the Chameleon** Kenneth J. Bishop,2023-09-21 Growing up in England was not the same for young Elliot as it was for other children his age They perhaps would not could not rise to the challenge that awaited him A resistance so overpowering and malevolent that it would take every resource endowed within him to overcome it His father Windsor Rothwick was a proud and honorable family man also a scientist until he dabbled into something he knew very little about Reading books on the occult and Demonology Finally summoning an evil that would destroy the lives of his family as well as those unsuspecting allies he would encounter Together they must find a way to defeat the most terrifying the most grotesque the most Maniacal evil to crossover into our world Who will prevail in the battle incited by retribution yet fueled by revenge The Curse of the Chameleon Kenneth J Bishop,2000-11 The Chameleon's Tale Andrea Bramhall,2015-08-17 Childhood friends Imogen and Amahle couldn't come from more different backgrounds One privileged and the other little more than a slave yet they thought nothing could tear their friendship apart But a changing political landscape and an uncertain future cast Imogen into a lonely world away from everything and everyone she knows and by the time she returns to Africa everything has changed Betrayal deceit and anger are the currency of the day and it is a far cry from the life Imogen wants to lead When Amahle's family is caught up in the middle of a bitter legal battle she fights for what she believes is right But what happens when those you believe in let you down What happens when friend becomes foe and your world turns upside down What can be built from the ashes of betrayal **African Review** ,1899 Chameleon's Morrow Sid Prise,2012-06 Aurelia of Rasil yon a young elfin sorceress is poised to discover herself and her world She embarks upon an epic journey that will take her to many countries through many bodies and forms and to dealings with many gods and goddesses of foreign peoples for whom she once had naught but enmity This odyssey shall not end until she herself ends coming to the precipice of goddesshood and to the end of her mortality She must confront her elfin racism the haughty curse of her people and make common cause with orcs and dwarves and gnomes and humans of various nations Only then is she able to catch a glimpse of the Codex that tome of truth inscrutable that her Uncle Aurel died attempting to recover Along the way she meets and touches many beautiful souls fights many more evil ones and begins to learn the measure of her destiny Will she learn the beauty of revolt and liberation and win her fight against tyranny Or will she succumb to the force of Madness in the cosmos and become a God
