The public letters of ... John Bright, collected and ed. by H.J. Leech John Bright,1895 **Selected Letters of Charles Dickens** Charles Dickens,1985 **Charles Sumner** Zaakir Tameez,2025-06-03 A thorough recounting of the great legislator s life and deed unlikely to be bettered anytime soon Tameez is expert at explaining Sumner s legal thought One cannot help wishing we had a Charles Sumner in Washington today The

New York Times An excellent book about the courageous Massachusetts senator Drawing from hundreds of letters articles and speeches Mr Tameez has created a remarkable portrait of a complex man who faced many personal challenges Charles Sumner is a moving portrayal of a courageous long overlooked American who in the words of one contemporary stood in the vanguard of Freedom Wall Street Journal A landmark biography of Charles Sumner the unsung hero of the American Civil War and Reconstruction Charles Sumner is mainly known as the abolitionist statesman who suffered a brutal caning on the Senate floor by the proslavery congressman Preston Brooks in 1856 This violent episode has obscured Sumner s status as the most passionate champion of equal rights and multiracial democracy of his time A friend of Alexis de Tocqueville an ally of Frederick Douglass and an adviser to Abraham Lincoln Sumner helped the Union win the Civil War and ordain the Emancipation Proclamation the Thirteenth Amendment the Freedmen s Bureau and the Civil Rights Act of 1875 In a comprehensive but fast paced narrative Zaakir Tameez presents Sumner as one of America s forgotten founding fathers a constitutional visionary who helped to rewrite the post Civil War Constitution and give birth to modern civil rights law He argues that Sumner was a gay man who battled with love and heartbreak at a time when homosexuality wasn t well understood or accepted And he explores Sumner s critical partnerships with the nation s first generation of Black lawyers and civil rights leaders whose legal contributions to Reconstruction have been overlooked for far too long An extraordinary achievement of historical and constitutional scholarship Charles Sumner brings back to life one of America s most inspiring statesmen whose formidable ideas remain relevant to a nation still divided over questions of race democracy and constitutional law
