Pirkis, 1878

In a world of his own Catharine Louisa Pirkis, 1878 *Saved by the Duke* Barbara Cartland, 2015-02-17 The Duke of Rockcliffe returns home to England from the British Army of Occupation which after the defeat of Napoleon in 1815 is located at Cambrai He had left England seven years ago when he was merely a young Lieutenant who intended to spend his life in the Army Owing to the death of several Heir Presumptives to the Dukedom he finds himself unexpectedly and to his great surprise the new Duke He also discovers that he has a Ward called Nelita the daughter of General Sir Edward Sheldon who had been his Commander Sir Edward was killed by a stray cannon ball at the Battle of Waterloo General Sheldon made the Duke Nelita s Guardian because she has inherited her mother s enormous fortune and he was afraid of fortune hunters The Duke first heard about the stunningly beautiful and lively Nelita when he read in The Morning Post a description of how

in answer to a challenge she walked along the parapet of a house in Belgrave Square and was watched by a large crowd who were encouraging her He is determined that this sort of behaviour should not continue and he then finds that she has been staying with a fast member of Society called Lady Marshbanks who is not considered to be a suitable chaperone for Nelita Her next escapade is to show him that she is not a dull and conventional debutante She dresses up painted and disguised as a Society beauty and is clever enough to deceive two of the Duke s friends who are dining with him He takes her to the Ascot races where they have luncheon with the Prince Regent and the Duke guesses that she has another prank in her mind that he is resolved to stop before it goes too far Nelita however finds that a particularly unpleasant fortune hunter Sir James Jensen is trying to blackmail her best friend in London She manages to outwit Sir James but he plans a terrible revenge for Nelita She is terrified at his dastardly plot and has no idea how she can escape from him How eventually she is saved by the Duke and how she finds serene happiness is told in this exciting and unusual story by BARBARA CARTLAND **Zamalek** Chafika Soliman Hamamsy,2005 Between the reign of Muhammad Ali Pasha 1805 48 and the end of the Second World War a dramatic transformation of the Egyptian sociopolitical scene took place particularly within the confines of the ruling class During that period and owing in large measure to Muhammad Ali s reforms a new class system emerged with its revised gradations from lower to upper strata The central concern of this book is the change that took place in upper class Egyptian society from a staunch conservatism toward more westernized liberal norms in the hundred years spanning the turn of the nineteenth century The district of Zamalek on the Nile island of Gezira became for a variety of reasons the preferred neighborhood for a fast growing rapidly evolving upper middle class and by the mid 1920s it had become the abode of an elite group whose way of life was manifestly more westernized than that of its predecessors Zamalek was the focal point of social change and its elite role models actively engaged in the creation of these new social norms By following the lives of one family this book describes how these people lived interreacted and changed often under the impetus of international events and looks at some of the beliefs and traditions upon which their life was based As Egypt enters the twenty first century with a noticeable reappearance of the veil and an apparent return to the values of the past this account by someone who grew up within that group is a timely examination of the social westernization of twentieth century Egypt the forces that led to it and the events that made it possible *Time of Our Lives* Tom Kirkwood,2001-01-11 By the year 2050 one in five of the world s population will be 65 or older a fact which presages profound medical biological philosophical and political changes in the coming century In *Time of Our Lives* Tom Kirkwood draws on more than twenty years of research to make sense of the evolution of aging to explain how aging occurs and to answer fundamental questions like why women live longer than men He shows that we age because our genes evolved at a time when life was nasty brutish and short placed little priority on the long term maintenance of our bodies With such knowledge along with new insights from genome research we can devise ways to target the root causes of aging and of age related diseases such as Alzheimer s and osteoporosis He even

considers the possibility that human beings will someday have greatly extended life spans or even be free from senescence altogether Beautifully written by one of the world s pioneering researchers into the science of aging Time of Our Lives is a clear original and above all inspiring investigation of a process all of us experience but few of us understand **The Ill-tempered Cousin** Frances Elliot,1885 **The Unsuitable Chaperone** Corinna Cunliffe,1988 Here brought together to create this history making volume are the most intriguing informative and revealing contributions to the first ten The Best of Trek collections These speculations histories analyses and opinions expand the reader s understanding of Star Trek and reveal why the series evolved into such a powerful force **From Shadows to Light** Catherine Diane Parker,2015-08-26 In 1880 Philadelphia and Cape Island New Jersey offer lucrative opportunities to bankers and industrialists entrepreneurs whose lives seem to be enviable Yet these leaders of polite society are subject to the same adversities as all men They cannot conceal themselves behind their marble walls Lifes challenges do not respect position trials come threatening to consume if trust in God is not the stronger force The three Whitman sisters belong to that polite society They are blessed with physical allure auburn hair sapphire eyes and satiny white skin but such attributes do not guarantee happiness Faith who lost her eyesight at age eleven after a prolonged illness excels in musical performance She elopes with Reed Collins a fellow musician and goes to England to concertize on the piano Her future security is threatened when Reeds amorous past forces its way into the present Hope and her husband a surgeon at Pennsylvania Hospital are anticipating the birth of their first child but their joy is snatched away the pain of such a loss separates them and Hope wonders if she will ever find peace Charity opinionated and rebellious is sent to Charleston by her parents where her paternal grandmother intends to find her a husband in fact a Baptist preacher who can tame her wildness That plan quickly goes awry when Charity runs away Overwhelmed by heartbreaking situations the sisters seek God The heavenly Father draws each one to the Savior they hear His call for only belief in Him can heal resolving the complications He directs Faith Hope and Charity to the narrow path that leads to life and bathes them in His eternal light **The Unlikely Chaperone** Dorothy Mack,1991-02 *The Story of Sophia* Frances Minto Elliot,1891 **Vanity Fair** T.G.
