with as much material as I have about Sedona The following incidents and encounters are a broad representation of UFO ET encounters by area residents and visitors My opinion is that many of these incidents resulted in the abduction of the individuals involved I have talked at length with most of these people It s difficult to put into words the sincerity and concern that was reflected in their voices and faces about what they had experienced When a mature man or woman breaks down emotionally over a UFO experience they are reliving in an interview this is to me strong evidence that the person is not lying or simply making up a story I feel fortunate to have shared in their experiences and I share in turn these experiences here with you
