We Jews Who Are We And What Should We Do:

We Jews Adin Steinsaltz, 2005-03-30 We Jews Thirteen million Jews throughout the United States and the world are famously divided and contentious about their identity political position social role and spiritual goals However if there is one authentic voice of leadership in the Jewish community it is scholar teacher mystic scientist and social critic Rabbi Adin Steinsaltz He is internationally regarded as one of the greatest rabbis of this century and of the last In *We Jews* Rabbi Steinsaltz explores the most important issues that concern Jews today as Jews He provides wise and uplifting answers to Jews everywhere whether they are secular and assimilated or orthodox Are we a nation or a religion Are the stereotypes of Jews really true Why are Jews so controversial How can we navigate the opposing forces of diversity culture and politics Can we survive intermarriage and the loss of tradition Do we still worship the Golden Calf In this book Rabbi Steinsaltz sees causes and consequences achievements and failures looks at the contemporary world and observes the dreams and longings of modern Jewish people Written as an intimate and inspiring internal memo to the whole Jewish family *We Jews* answers these questions and many more in a way that is at once insightful and inspiring

[The Posen Library of Jewish Culture and Civilization, Volume 7](#) Israel Bartal, Kenneth B. Moss, 2024-01-05 Volume 7 of the Posen Library captures unprecedented transformations of Jewish culture amid mass migration global capitalism nationalism revolution and the birth of the secular self Between 1880 and 1918 traditions and regimes collapsed around the world migration and imperialism remade the lives of millions nationalism and secularization transformed selves and collectives utopias beckoned and new kinds of social conflict threatened as never before Few communities experienced the pressures and possibilities of the era more profoundly than the world's Jews This volume seventh in *The Posen Library of Jewish Culture and Civilization* recaptures the vibrant Jewish cultural creativity political striving social experimentation and fractious religious and secular thought that burst forth in the face of these challenges Editors Israel Bartal and Kenneth B Moss capture the full range of Jewish expression in a centrifugal age from mystical visions to unabashedly antitraditional Jewish political thought from cookbooks to literary criticism from modernist poetry to vaudeville They also highlight the most remarkable dimension of the 1880-1918 era an audacious effort by newly secular Jews to replace Judaism itself with a new kind of Jewish culture centering on this worldly aesthetic creativity by a posited Jewish nation and the secular modern and free individuals who composed it This volume is an essential starting point for anyone who wishes to understand the divided Jewish present

[The Lord Wept](#) William K. Schultz, 2007-08-16 *The Lord Wept* The Freedom of Zion The Great Jewish Revolt against Rome was a first century tragedy whose effects still resonate today Timeless themes that still plague the Middle East region and the world ethnic conflict religious fanaticism social upheaval and the clash of civilizations made their baleful appearance in this bloody conflict fought from 66-73 CE The Jews struggle against the Rome of Nero Caesar was

part of the age old battle of human kind to establish a society of justice and freedom in the face of the tyranny and exploitation of a great empire It is also a story of the deeply fractured and corrupted Jewish nations bitter struggle with itself over issues of wealth and poverty law and governance and collaboration or defiance while seeking to order its society according to its unique laws and customs An intense religious atmosphere infused the Jewish drive for freedom and the deep religious ferment associated with their struggle had a profound influence on the subsequent development of both Judaism and Christianity The trilogy *The Lord Wept* brings to life the swirling events of the Jewish nations attempt to free itself from the Roman Empire Its characters are largely drawn from actual personages of the time and the action adheres closely to historic events The *Disinherited Nation* the first novel of the trilogy also available from Xlibris is set amidst the chaotic events of the year 66 when the revolt erupted and the Jews attained a temporary freedom The final two novels of the trilogy are here published as the twin parts of the novel *The Freedom of Zion The Star and the Scepter* the first part of that book is set in the years 67 and 68 CE when a new Roman general Flavius Vespasianus conducts a brutal campaign of reconquest in Judaea The shaky new government of free Israel a conservative regime headed by High Priest Ananus is unable to offer effective resistance and is itself overthrown by an uneasy coalition of Jewish revolutionaries including the Zealots led by the radical aristocrat Eleazar ben Simon who attempt to impose far reaching changes in Jewish society and governance Another radical faction the Tzadikim is ensconced in the desert fortress of Masada One of its leaders Eleazar ben Jair believing that the Lord has condemned the new Jewish state for its corruption hopes to take his movement completely out of the war while his colleague Simon ben Giora nurses a vision of unremitting resistance to Rome In the course of these events the respected old rabbi Jochanan ben Zacchai despairs that the new free Israel can ever fight off the Romans and begins to formulate a radically different Jewish society that will survive the inevitable destruction of Jerusalem and its temple He eventually flees Jerusalem and establishes himself at Jabne a town turned into a refugee camp by Vespasian Meanwhile the young priestly aristocrat Joseph ben Matthias has been sent to lead the resistance movement in Galilee He is unable to stop Vespasians onslaught and is himself trapped and captured Vespasian spares his life however intrigued by his prisoners amazing prophesy Joseph declared that the Lord revealed that the Roman general was the star and the scepter of an ancient Jewish prophesy who is fated to rule the world Joseph changes sides and becomes a sycophantic adherent of Vespasian and his son Titus He begins to put together a grotesquely biased account of his experiences in the Jewish War filled with absurd flattery of his new Roman patrons that even Titus does not take seriously The Christian community of Jerusalem is plunged into increasing despair by deteriorating conditions in the city Its members incessantly study the words of Jesus to seek guidance as to what they should do They eventually decide to flee Their guest the Greek convert Luke who is now married to the lovely Rachel the youngest daughter of the high priest is also present
