pleasing to him and what is perfect Romans 12:2 Emotions saturate Scripture God is an emotional God not in the same way we talk about an emotional person But God is certainly aware of the runaway emotions we're referring to when we put a negative spin on emotions We can't escape God's presence That means he sees and hears alongside us including our often messy emotions And if we let him God will replace those untruthful messages we've learned about emotions along the journey of life with the truthful messages reflecting his character will and commands God didn't mess up his design of you He created you in his image He has a plan for your life He even knew what mistakes you'd make throughout your life and he still loves you and wants nothing more than to be in an ever deepening relationship with you He will pursue you whether you're not following him and need to make that decision or you're following him marginally or you're passionate about him He designed you for more and he will pursue you tapping you on the shoulder whispering in your ear and knocking on the door of your heart so that your daily life including your decisions attitudes and yes emotions is impacted in the purity of who he created you to be and the everyday messiness of living on Earth If your emotions aren't reflecting the character of God well you're probably distorting something and need to get back on track That's what this journey is about growing closer to God getting to know him better and committing to reflecting him more and more on a daily basis Pure Emotion will dig into reflect upon and live out God's Word Chapters include Week One The Emotional Experience Week Two What's a Pure Emotion Week Three Fear Week Four Jealousy Week Five Anger Week Six Anxiety and Peace Week Seven Frustration Week Eight Guilt and Shame Week Nine Joy Week Ten Living Emotionally Pure

Russia Upside Down Frank H. Columbus,1999 If the people killed or starved to death by the Soviets were laid out end to end they would stretch half way to the moon This compelling novel of life in the Soviet Union tells an upfront and personal story of a family who lived through the birth life and death of perhaps the worst monster state ever to exist on earth We shudder through the social upheavals of the 1920s the terror of the 30s and the horror of WWII We catch the mood of enthusiasm at first for Khrushchev and the bitter disappointment that came soon after as his economic policies failed We discover that the smiling Khrushchev turned out to be one of the worst persecutors of the Church in history Then we take an emotional roller coaster ride through the years of Brezhnev Andropov and the other old men At last we meet Mikhail Gorbachev whose new thinking rapidly becomes old thinking At last the Soviet Union dies or does it The Kuladze family story is also a remarkable and tender love story in a world where life and death could hinge on intonation nuance or thinking unapproved thoughts It is a world in which Christening a baby must be done in total secrecy yet millions do it anyway The reader will never be the same after reading this absorbing and thoughtful book
