The Day The Devil Smiled Heather R.

Acquistapace,2011-11-21 Heather Renae Acquistapace The Day the Devil Smiled Synopsis There is only one thing on Jesus Christs mind as He and His twelve disciples eat the Passover meal in Jerusalem the salvation of mankind The Son of God knows that the only way for humanity to be able to live with Him in eternity will be for Him to die to pay for the punishment of all the sins of time Jesus longs to save the people but He does not want to go through the bloody torturous death that awaits Him The Son of God is guarded by angels two of which are Iceil and Ameron The two angels as well as many others continually fight the demons trying to intercept the Mighty Ones plan of salvation Tyzar the demonic leader of the dark spirits in Jerusalem endlessly tries to disrupt Jessuss mission and is helped by Sysen a demon specialized in controlling human minds During the Passover meal Jesus tries to prepare His disciples for the trying hours before them but the demons in the room cause the men to be confused by the Masters words Sysen takes control of one mans mind Judas Iscariot and deceives him into killing himself later on in the story The men then travel to the Mount of Olives where Jesus prays and asks God if there is another way to save the people of the world The Devil meets Jesus in the garden and tries to convince Him that Gods plan will fail The time of prayer is agonizingly difficult as Jessuss inward conflict builds with each deceptive word from Satan After hours of prayer the Lord of Heaven and Earth tells Jesus to continue with the plan of salvation and He obeys When Jesus is done praying He is arrested by temple guards tied and taken before the religious leaders The demons try to make chaos and deceive the people The angels fight them to keep the disciples safe Jesus has angered the Jewish leaders in the past and has claimed He is the Son of God a crime punishable by death After an illegal trial Jesus is taken before the Roman governor of Jerusalem Pontius Pilate the only authority who can sentence someone to death The governor does not find Jesus guilty After questioning Him for a time he sends the Prisoner to Herod Antipas the governor of where Jesus was born a mob follows their every move Upon seeing Jesus Herod demands Him to perform a miracle but when Jesus does not obey He is sent back to Pilate The Roman does not want to kill the innocent Man Therefore he allows the Jews to pick between two prisoners Jesus and a murderous revolutionary to be set free as he does once every year to be in favor with the people The Jews choose the revolutionary and demand Jessuss death Satan whispers in Pilates ear to have Jesus flogged to satisfy the crowd and the Roman still unwilling to kill Jesus and believing the Devils advice is the solution orders for the beating to commence As Jessuss body is brutally slashed open with whips the angels face the demons wanting to torment Christs spirit alongside the floggers Christ is then presented to the Jews once more but the cry for His death is louder still Pilate not wanting the people to become a riot surrenders and orders Jesus to be put to death The Son of God is followed by a mob to Golgotha and nailed to a cross Before He dies all the sins of mankind come onto Jesus and for the first time Christ feels separated from God When Jesus dies the Devil smiles but the sins are extinguished because of Jessuss sacrifice Three days

after Jesus is killed the Holy Spirit brings Him back to life obtaining victory for the angels and destruction for the demons Jesus appears before His followers a number of times and forty days after His death ascends into Heaven along with Iceil Ameron and a few other angels Jesus sits down at the right hand of God humanity is saved and the demonic forces lose yet again another spic battle

The Poetry of Sermons Robert Granger,2020-01-09 The title of this book is predicated on the probability that within each of us perhaps hiding in secret dwells a skeptic a cynic and a seeker The skeptic within thinks it knows some truth but isn t quite sure which is real truth and which may not be quite so true The cynic within is confused by the distance between the beliefs that some profess and the behaviors and attitudes exhibited in their daily life And the seeker within likes to feel encouraged to ask questions and to explore the mysteries that the unfolding wonder of life continually sets before us Bringing all of these to the reading of the sermons will enrich the experience sometimes stimulating deeper questions and sometimes offering inspiring insights

A Word for the Church Jeff Mills, MDiv,2023-04-27 This book was written for both the new churchgoer and the senior churchgoer It begins with a history of the church and leads into how the church leadership of today operates This book was written to show that there is no such thing as a perfect church but there is a church that should be striving toward perfection This book allows its readers to test their church to ensure that sound Christian doctrine is being taught and put to the test As stated earlier there is no perfect church every church has issues that must be dealt with and this book covers many of those issues through a firsthand account and gives actions that can help eliminate these troublesome areas It also deals with what a healthy church looks like and how to get to that point As the church body our greatest job is to share the good news of Jesus with everyone that we can This book includes a chapter on evangelism and easy methods that can be used by individuals and the church as a whole In summary this book is about the history of the church and what God intended the church to be and how many times we fall short The good news is that there is hope for our churches today we just need our members to be on fire for Jesus and become servant hearted workers in the church

HOW TO COPE WITH LIFE'S STRUGGLES Sherman Stevens,2014-03 With the current economic crisis and the general rigors of life we all face struggles Regardless of race gender income or age we face challenges daily Even countries face struggles the main one being the inability to pay their mounting debts In his book How to Cope with Life s Struggles Practical Advice for Victorious Christian Living author Sherman Stevens describes some of the struggles we face and how the Lord has provided for us to successfully make it through Among the struggles Stevens addresses are uncertainty drug abuse and peer pressure He shows us that by acknowledging God s power taking eight steps and trusting God as the provider we can deal with whatever we encounter God is waiting on us to ask him to empower us to cope with life s struggles It is as easy as ABC accept believe and confess How to Cope with Life s Struggles Practical Advice for Victorious Christian Living proves that we don t need to experience struggles without the whole armor of God that is available to shield and protect us from the ravages of this life
