What Is The Marriage Contract? Conrad Riker,101-01-01 The Contract You Signed Has Been Voided by the State Are you weary of a legal system that incentivizes the destruction of your family while criminalizing your authority Do you wonder why the sanctuary of the home has become a zone of constant psychological warfare and state surveillance Have you realized that modern marriage has been transformed from a sacrament of lifetime partnership into a contract of indentured servitude to a gynocentric regime This treatise is the strategic dossier for the modern patriarch dissecting the systematic dismantling of Western civilization through the lens of the marital institution Forensic Historical Deconstruction Trace the precise timeline from the God ordained sacrament of the pre modern era to the Satanic inversions of the post 1830s feminist project identifying the exact legislative breaches that destroyed the till death covenant The Psychopathology of the Left Expose the biological and psychological roots of cultural Marxism revealing how female coded hyper empathy Borderline Personality Disorder traits and the Terrible Mother archetype have weaponized the state against masculine order The Legal Trap Unveiled Analyze the devastating progression from the 1857 Divorce Act to 2022 s no fault divorce proving how the law replaced the husband as the head of the household with the state as the ultimate provider and enforcer Syllogistic demolition of Feminist Dogma Utilize the rigorous tools of the Trivium and logic to shatter the fallacies of equity patriarchal oppression and toxic masculinity exposing them as projective lies designed to emasculate and control The Welfare State as Surrogate Husband Understand the economic reality of how the state replaced male provisioning with tax payer funded subsidies creating a system that rewards women for blowing up families and punishes men for building them The Pathology of the Strong Independent Narrative Rip the mask off the corporate media propaganda that pushes female supremacy revealing the deep seated Daddy issues penis envy and hive mind mental illness driving the modern anti male zeitgeist The Infantilization of Society See how the maternal instinct has been corrupted into a political ideology that treats citizens as helpless infants requiring tyrannical supervision suppressing the natural male drive for competence and liberty Reclaiming the Androcentric Truth Arm yourself with the irrefutable arguments of natural law and biological reality to

The Islamic Marriage Contract Asifa Quraishi, Frank E. Vogel, 2022-10-07 It is often said that marriage in Islamic law is a civil contract not a sacrament If this is so this means that the marriage contract is largely governed by the same rules as other contracts such as sale or hire But at the same time marriage is a profound concern of the Islamic scriptures of Qur'an and Sunna and thus at the very core of the law and morality of Islam and of the individual familial and social life of Muslims This volume collects papers from many disciplines examining the Muslim marriage contract Articles cover doctrines as to marriage contracts e.g. may a wife stipulate monogamy historical instances e.g. legal advice from thirteenth century Spain comparisons with Jewish and canon law contemporary legal and social practice and projects of activists for women worldwide Demonstrating a new and powerful focus for comparative and historical inquiries into Islamic law and social practices this book marks a fresh point of departure for the study of Muslim women The Marriage Contract Honoré de Balzac, 2004-06 It seems to me he said to himself that without that good Mathias my mother in law would have tricked me And yet is that believable What interest could lead her to deceive me Are we not to join fortunes and live together Well well why should I worry about it In two days Natalie will be my wife
