THE OVERLOADED MIND Luiz Felipe Lyrio , Are you tired of the noise Not just the noise outside The noise inside The endless scroll The notifications that never stop The guilt of knowing you spent three hours online and can't remember a single thing you saw The daughter who asks why you're always looking at your phone The spouse who talks to you while you nod half listening half scrolling The work that never ends because your focus is shattered into a million pieces This is the story of Daniel A man just like you A man with forty three browser tabs open and a cold cup of coffee he forgot to drink A man who thought he was being productive when he was actually being consumed A man who almost lost his daughter his marriage and himself to the invisible dragon that lives in his pocket The Overloaded Mind is not a self help book filled with empty promises It is a journey A raw honest deeply human story about what happens when we finally put the phone down and face the silence we've been running from for years Set against the backdrop of a tiny cabin in the woods a wise old man without a cell phone and an eight year old girl who sees dragons in ceiling cracks this book will take you from the depths of digital addiction to the liberating discovery that your attention is the most precious thing you own And that reclaiming it might just save your life Written by Luiz Felipe Lyrio an artist who spent over thirty years drawing the world before finally turning his gaze inward The Overloaded Mind speaks directly to those who feel fragmented overwhelmed and hungry for something real in an age of infinite distraction If you have ever Picked up your phone without thinking Lost hours to an endless scroll Felt guilty for not being present with the people you love Wondered where the time went Longed for silence but feared it at the same time This book is for you Praise for The Overloaded Mind This book made me put my phone down Not because it told me to but because it reminded me what I was missing A story that feels like a conversation with a friend who understands Raw honest and beautifully written I finished it in one sitting Then I started applying what I learned My daughter noticed the difference immediately Welcome back to your life Welcome back to your mind Luiz Felipe Lyrio is a Brazilian artist and writer who spent over thirty years drawing on streets in bars and across twelve countries before finally sitting down to write He is neurodivergent deeply sensitive and believes that art in all its forms is the only real antidote to the noise of the world He currently lives in Ubatuba Brazil where he continues to draw write and transform his own life into stories that help others feel less alone
