again offers a wealth of information about graduate programs and career opportunities internationally. Over the years the Directory has become the indispensable resource for exploring sport psychology graduate programs. In addition to over 100 masters and doctoral degree programs in the United States, Canada, Australia, Great Britain, and South Africa, the Directory presents information about internships and career opportunities, details online courses and common research tools in the field, delineates the requirements for certification and licensure, and discusses ethical issues and concerns in sport psychology. Perhaps most useful are the contact names, numbers, and email addresses for programs and individuals around the world. This is the ideal resource for individuals interested in pursuing graduate study and a career in sport or exercise psychology.
